One form of partnership can be a relationship in which OKWU sponsors the education of multiple University students, particularly when that sponsorship is coupled with other relationships between OKWU and TCTC. - **Duration of Agreement:** This agreement is for one year and will automatically renew annually on July 1. The agreement may be terminated by either party upon written notification with at least 30-day's notice of proposed termination date.
- **Application of the scholarship:** The scholarship will be awarded once all paperwork has been submitted and aid will be applied to the student's account approximately 30 days after the student begins classes.
